First Name *

Last Name *

Company Name *

Phone Number *

Email Address *

Password *

Confirm Password *

Product Name *

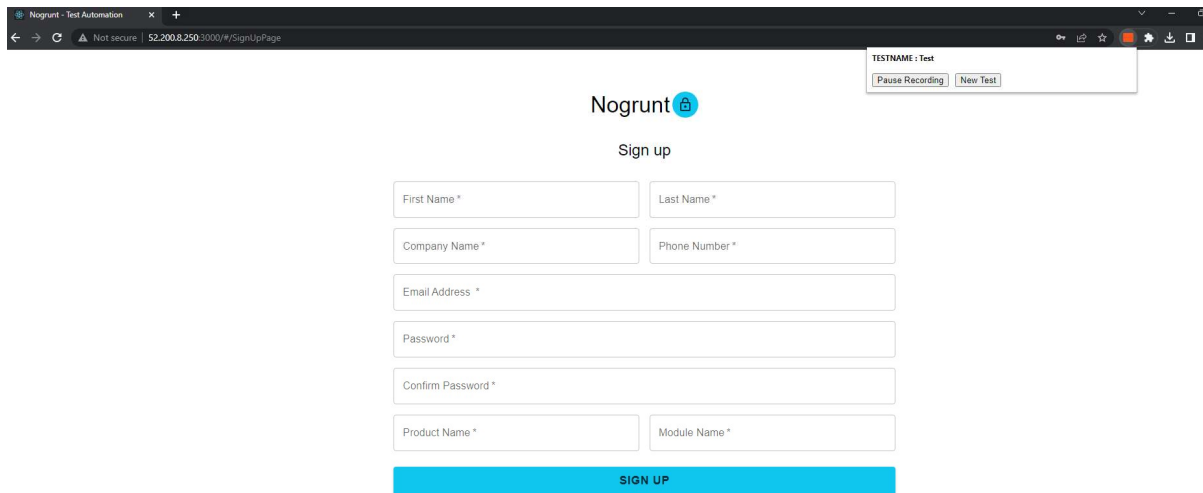

Module Name *

SIGN UP

- login in with the credentials you used to register and
- Select product and module for which you want to automate

On the extension

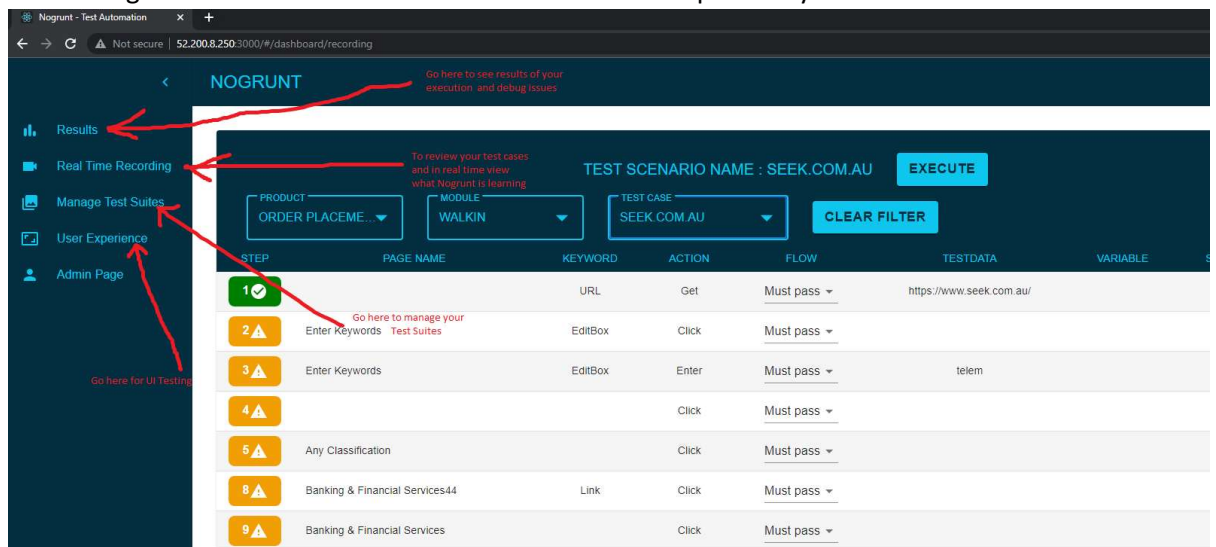

- You can pause recording or
- Start a new Test

The screenshot shows the Nogrunt Sign up page in a web browser. The page has a dark header with the Nogrunt logo and a 'Sign up' button. Below the header is a form with the following fields: First Name *, Last Name *, Company Name *, Phone Number *, Email Address *, Password *, Confirm Password *, Product Name *, and Module Name *. At the bottom of the form is a large blue 'SIGN UP' button. In the top right corner, there is a small box with 'TESTNAME : Test' and two buttons: 'Pause Recording' and 'New Test'.

On the Management Application

1. In order to login – use this link - <http://automate.nogrunt.com/#/LoginPage>
2. The management tool has 4 main features that are self explanatory.

The screenshot shows the Nogrunt Management Application dashboard. The dashboard has a dark blue header with the 'NOGRUNT' logo. On the left side, there is a sidebar with four main features: Results, Real Time Recording, Manage Test Suites, and User Experience. The main content area displays a table of test scenarios. The table has columns for STEP, PAGE NAME, KEYWORD, ACTION, FLOW, TESTDATA, and VARIABLE. The first row shows a test scenario for 'ORDER PLACEMENT' with a 'WALKIN' module and a 'SEEK.COM.AU' test case. The table also includes a 'TEST SCENARIO NAME : SEEK.COM.AU' and an 'EXECUTE' button. Red arrows point from the sidebar to the main content area, indicating the flow of the application.

STEP	PAGE NAME	KEYWORD	ACTION	FLOW	TESTDATA	VARIABLE
1	ORDER PLACEMENT	URL	Get	Must pass	https://www.seek.com.au/
